FYRIRLESARAR

Rolf Ahlzén

is a physician, who has mostly worked in primary care but also in psychiatry. He also has a background in the humanities, and is associate professor of medical humanities in Karlstad, Sweden. He has worked as a clinical ethicist for many years and teaches at the medical faculty in Örebro.

Ólafur Páll Jónsson

is a professor of philosophy at the School of Education at the University of Iceland. In addition to articles on the philosophy of education, political philosophy, natural philosophy, philosophy of law, ancient philosophy, and critical thinking, he has published several books, e.g., Democracy, Justice and Education (2011).

Svanur Sigurbjörnsson

is a physician, B.A. in philosophy and M.A. in biomedical ethics. He has been an adjunct teacher in biomedical ethics and critical thinking at the University of Iceland, Faculty of Medicine since 2016 and Faculty of Pharmacology since 2022. He chaired the Iceland Medical Association's Ethical Committee from 2015 to 2021.

FYRIRLESARAR

Guðlaug Ingunn Einarsdóttir

MN, APN, CHPCN (C), is a clinical nurse specialist in oncology and palliative care. She is a clinical nurse consultant for the York Region in Ontario, Canada. Gudlaug also teaches end-of-life-care through Pallium Canada to nurses and physicians who want to provide end-of-life-care to patients at home.

Mark Jarman-Howe

is Chief Executive of St Helena, the largest hospice care charity in the East of England. He is also a non-executive director of Dignity in Dying, and a trustee and Vice Chair of Compassion in Dying, a national charity that supports people to make their treatment and care wishes known by providing information and support around their rights and choices.

Juha Hänninen

is Pol.cand, Med Lic, with special competence in palliative medicine. He was the medical director of Terhokoti hospice for 25 years. He is the author of several books (in Finnish), among others We die only once (2018), Death and dying as my profession (2020), and Help me to die (2022). He is a member of the Finnish Medical association's delegation and heads of the Right to Die Society in Finland (OAK). He is co-writer in several medical textbooks about palliative medicine.
